PUBLIC LEDGER CO. THOMAS A. DAVIS.

Maysville, Ey., Jan. 1st, 1894.

HELLO, there, Brother MARSH; here are some more "calamity howls" howled by American workingmen:

New York - Eight hundred men and girls in the silk ribbon mills are thrown out of work by the closing of mills in this city.

YONKERS, N. Y .- Forty weavers in Pass Brothers' Silk Ribbon Mills went on interest, and the Administration has only strike to day against a reduction in scapes, The strike was by order of the Silk Weavers' Union of New York, of which the men are members.

of orders

AMSTERDAM, N. Y .- The No. 3 knitting mill of Warner, Deforest & Co. will shut down today. The firm's Nos. 1 and 2 mills have been closed for some time.

Bill caused the reduction.

HAMMOND, IND .- The employes of the East Chicago Iron and Steel Company refused a reduction of 134 per cent. in

TRENTON, N. J .- The proposed reduction of 25 per cent. in the wages of has been compromised. The 250 cmployes who went on strike have returned at a reduction of 10 per cent. On Monday next another attempt will be made to start the Wilson Woolen Mills. These mills employ about 700 hands. A similar reduction to that proposed at the Titus Mills has been announced there.

LAWRENCE, Mass .- Over two thousand people participated in a parade of the Washington Mill strikers. Half of them were women. Every division carried transparencies showing wages of January, 1893, and January, 1894.

WHEELING, W. VA .- The rates of wages at which miners are working now is very little understood. The transcript of the pay-roll of the Elm Grove Mines for January, at the present rate, shows that for twenty days' work fifty-two men earned \$1,182 18, or a fraction over \$28 for each miner for twenty days' work. Calculation shows that at the fifty-one cent rate proposed these men would have carned \$927 69, or \$17 84 per man, or eighty-nine cents a day. From this is to be taken seventy-five cents a month for pick sharpening and eighteen cents a day for powder and oil, or each miner would PRICE 50 CENTS. earn 671 cents a day. The best workmen in the mine in January earned less than 81 39 a day at the present wages, which would be cut considerably under the fiftyone cent rate.

Miners are looking for work in other lnes but it is very scarce, and they can de no better than to go back to the mines. NEW HAVEN.-The Candee Rubber Company has cut wages 20 per cent; 2,000 amployes.

PATINSON,-The Rogers Locomotive Works start up in part on Monday, Orders consist chiefly of repairs. The Barbour Brothers' large flax works will copen on Monday with wages reduced to

THE Maysville correspondent of The Commercial Gasette gives Senator Sam J. Pugh a boost for Congress. If Sam runs for Congress as he ran for the Senate, neither Mr. PAYNTER, Mr. HART nor any of them other fellers will be in it a little bit.

YESTERDAY afternoon Officer McKellup arrested a prominent young man of Germantown on the charge of being Oswego, N. Y.-Fifty hide pullers in drunk and disorderly. Judge Wads-Swits Conde's knitting mills struck today worth gave him a fine of \$5 and costs, because of a cut from 12 cents per hide which was readily paid, and the fellow to 14. The men were told that the Wilson was taken on home in a buggy by a neighbor.

THE dance to be given by the Maysville Assembly tonight will be in honor of Misses Marietta Hawkins, Fannie and Mary Carrick of Central Kentucky, Miss Bradford of Covington and Miss Johnstone of Bucyrus, O. The Maysville the operatives of the Titus Woolen Mills Orchestra will furnish the music and it all is expected to be quite an event.
